Osteoporosis Femur

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA02792

This model provides an impressive demonstration of the difference between a normal and osteoporotic femur. The osteoporotic bone shows a markedly damaged structure and bone fracture. The upper half of the femur is shown in each case. On baseboard, can be removed and disassembled.Original size natural casting.

Healthy / osteoporotic bone structure comparison model

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA01191

This highly enlarged model of the bone structure shows healthy structure on one side and structure with osteoporotic changes on the other side. Because of the direct comparison the patient understands without many explanation how his bones change and why the risk of fractures is higher.
