

GYNAECOLOGICAL EXAM CHAIR K01

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: WG03031

The gynecological chair on a column is a combination of elegant design with functionality and practicality. Thanks to the use of an ABS housing, the K01 armchair is elegant, slim and looks very good both in modern and traditional offices, additionally it is easy to keep clean and hygienic due to the built-in structural elements. The K01 model, thanks to the use of three independent electric actuators controlled by a manual remote control, has very good technical parameters, which will ensure a fully functional product. The standard armchair is equipped with a set of euro rails mounted on the sides of the seat, a set of knee rests and a stainless steel bowl placed under the seat.

Features:

- Length 135cm
- Width 57cm
- Height 55-95cm
- Backrest angle adjustment from 0 ° to 74 ° by means of an electric actuator
- Trendelenburg position 0 ° to 19 ° by means of an electric actuator
- Anti-Trendelenburg position -6 ° to 0 ° by means of an electric actuator
- Weight 90 kg
- Load 200 kg

Additional options :

- paper hanger
- hand grip
- road wheel system
- removable footrest
- foot pilot
- drip hanger
- injection support
- two types of upholstery to choose from (standard / prestige)
- a large selection of upholstery colors
