Lung microanatomy

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA00760

20-fold magnification of the pulmonary lobe. It presents the following elements of lung structure: bronchi, bronchioles alveoli along with the blood vessels.

Additional features: Size: 12 x 10 x 3 cm, educational card included.

Transparent model nose

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA02270

Using this transparent model, it is possible to understand at a glance and explain simply the complex structure of the nasal cavities. The three-part model can be taken apart (two halves and a dividing plate). A versatile model for patient information or medical training. The model is flexible and can be used for the most diverse exercises. Very good also for planning of surgery.
