

Scaphocephalic skull

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA01452

An excellent example of a condition in which the skull is abnormally long and narrow, as a result of premature closure of the sagittal suture, with heavy centers of ossification in the line of the suture.

Size: 20 x 20 x 11.5 cm
