

## Canine IV Training Leg

**Price inquiry:** +48 605999769, [kontakt@openmedis.pl](mailto:kontakt@openmedis.pl)

Product code: MZ01950

This product is designed to train students for IV blood draw or injection. IV training leg has been tested for up to 300 plus punctures. IV training leg is made from a rubber like material. This product can easily be cleaned without the sticky mess fur models can create.

### The set includes:

- 1 IV Training Leg
- 1 quart Vet Effects blood
- 1 Funnel
