

Fetal skull, 13 weeks old

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: MA02295

Perfect reproduction of the fetal skull. At first glance, this model is hard to distinguish from the real skull and gives an impressive overview of the development of the skull in the womb.

Specification:

- dimensions: 5.9 x 4.2 x 4.6 cm
