

## Fabric placenta and umbilical cord

**Price inquiry:** +48 605999769, [kontakt@openmedis.pl](mailto:kontakt@openmedis.pl)

Product code: SM02642

The model allows you to present the fetus inside the amniotic sac. A taut umbilical cord clearly depicts the vein and arteries. Both the amniotic and chorionic membranes are accurately reproduced in two colors. Fits model SM02641.
