

"Senior" head cover for nursing dolls

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: SM02912

This **head cover** can simply be pulled over the head of the Standard, Basic, Clinical Chloe or the extended Clinical Chloe nursing doll and transforms the normal nursing doll into a doll with a **geriatric appearance**.

Additional information:

- The soft skin looks lifelike and feels realistic.
- The mouth, nose, ears and tracheostomy opening are accessible so that the doll's functions are fully preserved.
- The mask has a zipper on the back of the head so that it can be attached and removed without much effort.
