

## Three Injection Depth Simulated Tissue

**Price inquiry:** +48 605999769, [kontakt@openmedis.pl](mailto:kontakt@openmedis.pl)

Product code: SM02955

This pad is built using our RealLayer Technology to simulate proper body wall feel as well as a foam core to allow for your injected fluids to easily squeeze out. **The Three Injection Depth Pad is designed to take you right into the muscle to practice the Intramuscular injection.**
