

OpenMedis - Hydraulic treatment table + 3-section + mid-section adjustable

Price inquiry: +48 605999769, kontakt@openmedis.pl

Product code: SR00412

3-section therapy couch with hydraulic height adjustment (hydraulic actuator powered by repeatedly pressing the foot pedal on the actuator). The steel construction of the frame ensures excellent stability while working with the patient. The table has a headrest regulated with gas springs, with a hole for the face and a plug. The table consists gas-spring head section adjustment and easy-to-clean upholstery materials
